Commonwealth Study Conference Association of Malaysia

Confederation of Indian Industry

## Energy Efficiency & Green Energy Forum

*"Enhancing Competitiveness"*

*Theme: Exploring Opportunities and Building Competencies*

**3 August 2005**

*Wednesday*

*9am - 5pm*

Nirwana Ballroom II

Hotel Crown Plaza Mutiara, Kuala Lumpur, Malaysia

(Registration starts at 8.30am)

## ***Purpose of Seminar***

To provide the target audience with the opportunity to:

- □ Gain exposure on the latest green technologies
- □ Look at case studies on best practices being adopted in Indian companies on the energy efficiency □  
□ and renewable energy front
- □ Study information on the best practices adopted by ASEAN countries
- □ Benchmark Malaysia's position on energy efficient and renewable energy technologies vis-à-vis India □  
□ and ASEAN country
- □ Interact with Indian equipment manufacturers

## ***Malaysia - Moving Ahead***

Malaysia is in the process of developing and implementing widespread energy efficiency and renewable energy projects. Malaysian industry and policy makers are currently working towards taking the energy sector to global standards. This forum will look at such world class benchmarks and proven experience elsewhere.

The lessons learnt by others on approach, deployment of technology, project viability and economics, will be of particular interest to Malaysia.

## ***Session & Topics***

1. □ **World Class Energy Efficiency**  
□ (Special Keynote address)
2. □ **Techniques / Technologies in Energy Efficiency**  
□ (Topic to focus on characteristics and approach to achieve World Class Energy Efficiency levels with □  
□ successfully implemented case studies from specific industrial sectors)
3. □ **Actual implemented case studies**  
□ (Presentation to highlight best practices, techniques and technologies adopted by companies on □ □  
□ various aspects of energy like energy efficiency & management, and renewable energy)
4. □ **Renewable Energy**  
□ (Topic to cover on various aspects / options in renewable energy with case study experiences)
5. □ **Clean Development Mechanism (CDM) & Carbon Trading opportunities in Energy Efficiency**  
□ (Topic to cover current developments in Clean Development Mechanism (CDM) and Carbon  
□ Trading internationally and outline scope & opportunities for Malaysia)
6. □ **Malaysian Scenario & Perspectives**  
□ (Local energy expert to provide input on current industry scenario and outline need to embrace the □  
□ current developments in this sector)

## ***Speakers***

Speakers at this Forum include senior industry experts who have worked on successful energy efficiency and renewable energy projects, suppliers of energy technologies from India and speaker from ASEAN region. Mr S Raghupathy, Senior Director and Head of CII Godrej GBC has confirmed to speak at this forum.

Other Industry experts invited to speak at this forum include York International, Trane India Ltd, Thermax Ltd., Godrej & Boyce Mfg. Co. Ltd., Thai Acrylic Fibre and Baldor among others.

## ***Target Audience***

Senior Management executives and managers from private companies, CEO's of small and medium enterprises, Energy industry professionals, Project developers and managers, government policy makers, project financiers, energy professionals and consultants, academicians, and students.

## ***CII Godrej GBC***

CII-Godrej Green Business Centre (GBC) is the "Centre of Excellence" for Energy, Environment, Water, Green Buildings, Renewable Energy and Climate Change activities in India.

CII - Godrej GBC has till date carried out over 500 detailed energy audits in various sectors of industry in India and a few companies abroad. The audited units have reported an annual recurring energy saving of USD 35 Million. CII - Godrej GBC has been awarded the National Best Energy Auditor for 5 successive years by PCRA, Government of India.

CII - Godrej GBC is now involved in facilitating the emergence of World Class Energy Efficient Units in India in Cement, Power Plants, Paper and Engineering industrial sectors. CII Godrej GBC is a division under CII.

## ***Confederation of Indian Industry***

Confederation of Indian Industry (CII) is a non-government, not-for-profit, industry led and industry managed organisation.

Founded over 110 years ago, it is India's premier business association, with a direct membership of over 5300 companies from the private as well as public sectors, including SMEs and MNCs and indirect membership of over 80,000 companies from 283 national and regional sectoral associations.

With 47 offices in India and 12 overseas, CII serves as a reference point for Indian industry and the international business community.

## ***Commonwealth Study Conference Association of Malaysia***

The Commonwealth Study Conference Association is not for profit non-governmental organisation comprising alumni members of the Duke of Edinburgh Commonwealth Study Conferences. The series of Study Conferences is to bring together people from all walks of employment with an aim to study the impact of industry and commerce on people and environment.

The Association provides a forum for sharing ideas with an aim to create awareness on global issues concerning economic, social and technological factors.
